Pursuant to 40 C.F.R. § 22.18(b), EPA is authorized to settle administrative enforcement actions provided they are commenced in accordance with 40 C.F.R. § 22.13(a) or (b). In accordance with § 22.18(b), EPA and Respondent enter into this Consent Agreement and propose the attached Final Order to resolve the violations alleged in the Complaint, filed pursuant to 40 C.F.R. § 22.13(a).

Complainant and Respondent have agreed to resolve the Complaint by entering into this Consent Agreement and by the issuance of a Final Order.

For purposes of this proceeding, and to avoid the expense of protracted litigation, Respondent: (1) admits that EPA has jurisdiction over the subject matter as alleged in this Consent Agreement; (2) neither admits nor denies specific factual allegations contained in the Complaint and in this Consent Agreement; (3) consents to the terms of agreement set forth in this Consent Agreement; and (4) consents to the issuance of the attached Final Order.

2. If Respondent fails to make full and complete payment of the **\$124,225** penalty that is required by this CAFO, this case may be referred by EPA to the United States Department of Justice and/or the United States Department of the Treasury for

collection. In such an action, pursuant to § 113(d)(5) of the CAA, 42 U.S.C.

§ 7413(d)(5) and 31 U.S.C. § 3717, Respondent shall pay the following amounts:

Such nonpayment penalty shall be ten percent of the aggregate amount of Respondent's outstanding penalties and nonpayment penalties accrued from the beginning of such quarter.

11. Any public statement, oral or written, in print, film or other media, made by Respondent making reference to the SEP shall include the following language: "This project was undertaken in connection with the settlement of an enforcement action taken by the U.S. Environmental Protection Agency for alleged violations of the Clean Air Act."

12. This CAFO shall not relieve Respondent of its obligations to comply with all applicable provisions of federal state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state or local permit.

13. For federal income tax purposes, Respondent agrees that it will neither capitalize into inventory or basis nor deduct any costs or expenditures incurred in performing the SEP.

14. Respondent has read the Consent Agreement and consents to its terms and issuance as a Final Order.

Nothing in this Consent Agreement and Final Order is intended to nor shall be construed to operate in any way to resolve any criminal liability of the Respondent. Compliance with this CAFO shall not be a defense to any actions subsequently commenced pursuant to federal laws and regulations administered by EPA, and it is the responsibility of Respondent to comply with such laws and regulations.

16. This Consent Agreement is being entered into voluntarily and knowingly by the parties in full settlement of Respondent's alleged violations of the Act set forth in the Complaint.

19. Each party to this Consent Agreement shall bear its own costs and attorneys' fees in connection with this action resolved by this Consent Agreement and attached Final Order.

20. The Consent Agreement and attached Final Order shall be binding on Respondent and its successors and assignees.
